

Special Event/Fundraiser Request

In order to avoid overlap and/or duplication of business solicitations, event marketing, ticket sales, etc., the La Costa Canyon High School Foundation coordinates all special events and fundraisers sponsored by our various booster groups. Completing this form immediately adds your event to the calendar as well as the website scroll and email blast the week of your event. This process will maximize each event's success and ensure that our community is not overwhelmed by our fundraising efforts. **Please submit this completed form to the LCC Foundation office no later than TWO WEEKS prior to your event**, so that our volunteers can ensure your event is properly marketed to our community!
